

EEPCA

European Electrical Products Certification Association

CERTIFICATE OF ACCEPTANCE

THIS IS TO CERTIFY THAT
the Testing Laboratory

Cooperative Testing Institute Vienna
Einzingerasse 4, 1210 Vienna, AUSTRIA

has been assessed on 17-18 November 2009 and found to comply with Permanent Document ECS 050, EN/ISO/IEC 17025:2000 and all other requirements specific to the European Certification Agreements in which it is participating.

It has therefore been accepted to operate, under the responsibility of **OVE Testing, Certification & Inspection** as Certification Body, as a Testing Laboratory in the European Certification Schemes ENEC, CCA and CCA-EMC, for its scope of European Standards and Harmonised Documents as registered by EEPCA. This Certificate of Acceptance is valid until 18 November 2012, or until the earlier completion of the next following assessment.

Paris, 19 October 2010

Nils Kleinjan, Secretary-General
